Forecast for Friday 24 Jun 2022

Weather: Dry in the morning with some warm sunshine, some low cloud across the south Lakes at first. Turning cloudier in the afternoon with a chance of some heavy showers breaking out, especially towards late afternoon and evening.

Chance of cloud-free hill tops above 800m: 90%

Low cloud and visibility: Generally good visibility through the day, although quickly reducing in any showers. Some thin cloud below 400 metres at first on southern upslopes across southern fells, and some cloud lowering onto the higher tops in any heavier showers later.
